

Mustang Club of Houston (MCOH)

The Mustang Club of Houston was formed in 1993 by car enthusiasts dedicated to the preservation of Classic and late model Mustangs. MCOH is recognized by Mustang Club of America (MCA) as their representative regional chapter for the Houston area. MCOH has been recognized by MCA as a President's Award winner for outstanding activities and community support.

The club is a family-oriented organization and strongly encourages family participation. We welcome members of all ages. Ownership of a Mustang is not required, ENTHUSIASM is. Club membership currently exceeds 225 members from all over the greater Houston area.

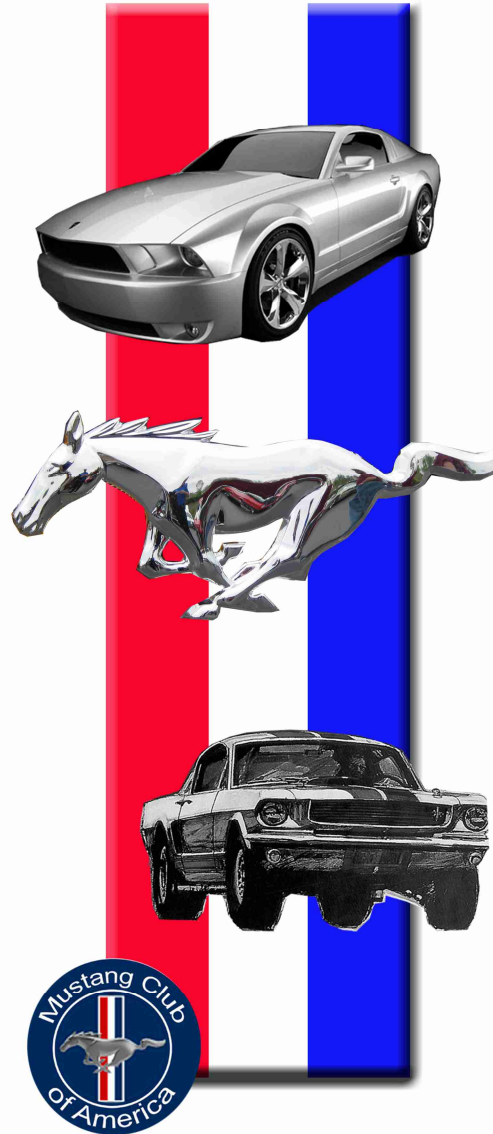

Our meetings are held on the third Sunday of each month at 2 PM usually at our sponsoring car dealership. Location and directions are posted on our website, www.mcoh.org.

MCOH has given to several charities since its beginning in 1993. MCOH has contributed to the Institute for Research & Rehabilitation Foundation (IIRF) over \$30,000 since that time. MCOH is supportive of other charities on an individual basis.

All dues include annual membership in MCA. Our club is a 100% participant in MCA. A part of dues covers insurance for our events. Each month you will receive the *Mustang Times*, a monthly MCA publication full of information for the Mustang enthusiast.
